

Winter Spring 2018 Lunch Enrichment Classes

Lunchtime enrichment programs for 3- through 5-year-olds are a great way to extend the preschool day. Classes help children discover their interests and talents with fun movement and learning activities. Lunch is included and care is provided during the transition from program to program.

MONDAYS – *ABC's with You & Me*

(Brought to you by Kim Resnick)

Connecting letters of the alphabet with everyday preschool activities encourages letter recognition, beginning phonetics and prereading skills. Through stories, sound and letter games and art projects, the children will be exposed to the letters of the alphabet. This program fosters literacy, phonetics, letter recognition and letter writing.

TUESDAYS – *Sing with Señora*

Since research shows that young children's brains are wired to learn additional languages, preschool is a great time to introduce a new language. Sing with Señora is a wonderful enrichment program that exposes young children to Spanish. Each week the children will be exposed to 1-3 new Spanish words related to the unit through songs, stories and games. This program fosters literacy, cognitive development and self-confidence.

WEDNESDAYS – *Noggin Builders*

(Brought to you by Noggin Builders)

Noggin Builders builds problem solving and thinking skills through fun, hands-on activities in STEM (science, technology, engineering and math). Children will explore the wonders of the world through experiments, crafts and games. Activities include designing working circuits, building a roller coaster, experimenting with light and sound, etc.

THURSDAYS – *Broadway Tots*

This class is a wonderful introduction to musical theatre. Broadway Tots will act, sing and dance to well known Willy Wonka, Jr. songs!! This program fosters imagination, creativity, coordination, social skills and self-confidence.
