Registration

Registrations are taken on a first come first serve basis. Current families are given a one-week priority registration period to register before registration is opened up to new families. Current families with multiple children are given first priority. Any current family who does not return the signed registration form along with the indicated fees by the end of the priority week will lose their priority. You will be notified if there is not an available space in the class for which you are registering. At that time you can choose to go with your second choice, be placed on a waiting list or receive a full refund.

Registration Fee and Deposit

There is a registration fee of \$100, which is due at the time of registration, along with the required vision and hearing screening fee and the last month's tuition. **All amounts paid at the time of registration are non-refundable.**

Tuition Payments

Tuition payments are due on a triannual basis July 1, October 1 and February 1. A monthly payment plan is available for an additional administrative fee of \$5 per month. Monthly payments begin July 1. Please take note that it is the parents' responsibility to make note of payment due dates, as Little Ones does not send out statements. There is a \$10.00 late fee for payments received after the tenth of the month and a \$25.00 late fee for payments received after the 15th of the month. There is also a \$25.00 charge for all returned checks. **All tuition payments are non-refundable.**

Cancellation Policy

All cancellations must be made in writing. All fees paid at the time of registration, as well as all tuition payments, are non-refundable. Please see the **Parent Handbook** found online at www.littleones-preschool.com/school-year-information-enrollment-forms/ for further details.

Class Placement

Little Ones reserves the right to determine the appropriate class placement of children. We will do our best to accommodate one friendship request; however, we are unable to accommodate teacher requests. If your friendship request should change, it is your responsibility to notify Little Ones in writing by the end of the previous school year.

Lunch Enrichment Programs

Little Ones offers lunchtime enrichment programs for both morning and afternoon 3, 4 and 5 year old children. The lunch enrichment program includes lunch, as well as an enrichment activity. It is a great way to extend your child's day. Lunch Enrichment registration will take place in the spring before the school year begins. The registration form can be found on line at www.littleones-preschool.com/programs/.

Financial Assistance

Financial assistance is available for families in need of tuition assistance. If you are in need of financial assistance, please complete and return the scholarship application with the indicated paperwork as soon as possible. Scholarship applications will be accepted on a first come first serve basis and will be evaluated with objective criteria to make the most fair and equitable decision for all applicants. Scholarship awards will be made in July for the upcoming school year and will be based on class availability. The scholarship application can be found on line at www.littleones-preschool.com/programs/.

Little Ones Preschool is accredited by the National Association for the Education of Young Children (NAEYC), the nation's largest organization of early childhood educators.
