# Sing with Señora Kus

Thursdays 1:00-1:45 pm

9/13/18 – 12/20/18 • 14 sessions – \$238

(no class 11/22)

Since research shows that young children's brains are wired to learn additional languages, preschool is a great time to introduce a new language. Sing with Señora is a wonderful enrichment program that exposes young children to Spanish. Each week the children will be exposed to 1-3 new Spanish words related to the unit through songs, stories and games. This program fosters literacy, cognitive development and self-confidence.

Little Ones is offering Spanish in the fall as an extended day options for 3-5 year olds for those parents who are looking to add Spanish after lunch program on Thursdays! Add the extended day program to lunch program and preschool, and your child can enjoy up to 4 ½ hours of enriched preschool activities. **Please note that even if your child does not attend lunch program, you can still enroll in the Spanish class.**
