

Winter Spring 2019 Lunch Enrichment Classes

Lunchtime enrichment programs for 3- through 5-year-olds are a great way to extend the preschool day. Classes help children discover their interests and talents with fun movement and learning activities. Lunch is included and care is provided during the transition from program to program.

MONDAYS – ABC's with You & Me

(Brought to you by Kim Resnick)

Connecting letters of the alphabet with everyday preschool activities encourages letter recognition, beginning phonetics and prereading skills. Through stories, sound and letter games and art projects, the children will be exposed to the letters of the alphabet. This program fosters literacy, phonetics, letter recognition and letter writing.

TUESDAYS – Kid Rock

(Brought to you by Mari Peckham)

Kid Rock is part of the Rock 'n' Kids program, a unique approach to music education which incorporates multiple intelligences, allowing children to learn and grow at their own pace. Kid Rock provides creative, energetic, and structured activities using instruments and movement props, such as maracas, tambourines, bean bags, scarves, parachutes and more! An educational theme is incorporated into every session, which allows the children to learn about the world around them through music. The program fosters rhythm and movement, fine and gross motor development, imaginative play, sensory stimulation, cognitive development and socialization.

WEDNESDAYS – Multi-Sports Class

(Brought to you by Hi-Five Sports Club)

This class empowers children as they learn the basics of soccer, football and baseball. Through fun and creative movement activities and games, the children develop the skills and a basic understanding of each sport. The program fosters gross motor development, coordination, ability to follow directions, teamwork and self-confidence.

THURSDAYS – Broadway Tots

(Brought to you by Skyline Studios)

This class is a wonderful introduction to musical theatre. Broadway Tots will act, sing and dance to well known Beauty and the Beast, Jr. songs!! This high-energy creative movement class entertains, educates and exposes young children to the magical world of musical theatre. This program fosters imagination, creativity, coordination, social skills and self-confidence.

FRIDAYS – Story Dictation & Book Making

(Brought to you by Dani Mokhtarian)

In this class, the children will dictate and illustrate their own stories that will be made into books. They will enjoy the experience of being authors and illustrators. All different kinds of literature will be covered, including fiction, nonfiction and poetry. This program fosters literacy, vocabulary development, phonological awareness, knowledge of print, writing skills and self-confidence.
